Mooiplaas Rosalind 2019

TASTING NOTES

Rosalind, meaning beautiful rose, is a Bordeaux blend with elegance and balance that can stand the test of time. The wine has an intensely dark colour, the palate shows a tight grip of oak tannins, balanced with excellent fruit and a lingering finish. The Cabernet Franc and Merlot lend wonderful smoothness to the blend. The 2019 vintage has vast potential to evolve over time, with sufficient structure and concentration to age for multiple decades.
